Asking for Donations

Dear **INSERT NAME**,

I hope all is well! I am writing today to let you know that I will be participating in SpartanTHON Dance Marathon this year, and would appreciate your support. SpartanTHON is CWRU's 12-hour Miracle Network Dance Marathon. We fundraise year-round for Cleveland's local Children's Miracle Network Hospital, UH Rainbow Babies and Children's.

I am very excited to participate in SpartanTHON, and I hope you will support me. Every donation goes directly to the hospital and helps pay for crucial services like music and art therapy, child life specialists, and reducing infant mortality in Cleveland. Donating online is safe, easy, and secure - and best of all, all donations are tax deductible! To donate, follow the link in this email.

I hope to see you soon!

Thank you and FTK (For The Kids),
