
Social Media Templates

Posting on social media is an easy way to reach friends and family of all ages. We've created some templates for you.

Some quick tips:

- 1) Include pictures of miracle kids, you dancing, you and your friends, etc...
- 2) Talk about why YOU fundraise.
- 3) Include an easy and accessible link to your donor page.
- 4) Don't forget to say thank you!

Template 1

"I dance for the kids at Rainbow who can't. Donate to SpartanTHON to help end pediatric illness."

Template 2

" ____ Days until SpartanThon where I will stand for 12 hours for the kids at Rainbow! I'm \$ ____ away from my goal. Help the kids at Rainbow Babies and donate today! Insert Your link here"

Template 3

"Please take a moment to remember your favorite childhood memory—the first professional sports game you went to, the best birthday present you ever received, playing on the swingset with your best friend. These are the memories that I and every single member of SpartanThon work year round to give kids being treated at Rainbow Babies and Children's Hospital. We strive to make sure every child in the Cleveland Area gets to make these childhood memories. Please consider supporting my fundraising efforts with a donation, no matter how big or small. Thank you for your help. Insert your link here."
